Henry Bertram, County Judge Executive Courthouse Square Falmouth, KY 41040

Dear Judge Bertram:

The Kentucky Department of Fish and Wildlife Resources (KDFWR) is requesting proposals from several county governments to place asphalt at existing boat ramps owned by the Department. We have identified Falmouth Boat Ramp in Pendleton County as lacking a paved surface on the parking area. We are seeking your cooperation and assistance to perform this work.

We have established a limited amount of money to be granted to county governments using a Memorandum of Agreement (MOA). This funding will not require a county match. If you would like to participate, we need you to estimate the amount of money it would take to place 3" of asphalt over the existing gravel parking lot and roadway. The asphalt shall be Class 2 Asphalt Base 0,75D PG64-22 per the Kentucky Department of Transportation Specifications. We anticipate the existing subgrade will be sufficient but if additional rock or grade work is needed, please include an estimate for this work. We will also need your assistance to locally administer this small project.

I have attached a form for you to complete with your estimates. Please submit this form to the KDFWR by March 2, 2009, and we will review your proposal. Your county's project will be evaluated based on this estimate and our overall availability of funds. If your project is accepted, we will contact you to formalize a MOA. Please note that the KDFWR will only make payments to the County after the work has been completed and weigh tickets have been submitted.

#### In RE: Closing Remarks

Judge Bertram stated that he had received an email from Jim Shoemaker, Kenton Fire Chief regarding the progress of getting our second ambulance staffed and running. It was decided that he and Court members who wanted would attend the Kenton Fire Districts next meeting on April 6, 2009 to bring them up to date on the status of Ambulance 2.

Judge Bertram also presented the court with a copy of a Public Notice that will be going to the Outlook for Publication regarding the increased payroll tax.

These two items where informational only no action taken.

#### Ambulance 2

Subject: Ambulance 2 From: chiefjshoemaker@es.com Date: Fri, 06 Mar 2009 14:35:20 -0500 To: pendjud@fuse.net

Just checking about Ambulance 2. I read in the Outlook that it is moving foward. That is great.

Our next Board Meeting is April 6. Can you send a letter to them and let them know how things is going?

You can give it to Alan or you can mall it to the address you mailed the last one.

Have a good day. Thanks Jim Shoemaker Kenton Fire Chief

Pendleton County has been providing ambulance service to its citizens since 1991 and the cost of providing those services has risen dramatically over the years.

Two years ago, the Fiscal Court was forced to implement a .05 % payroll tax to cover ambulance Advanced Life Support. The Fiscal Court is now faced with the burden of trying to cover more than 1200 runs a year with one ambulance and a backup volunteer ambulance.

Due to the workload placed on our ambulance system, the public, during public meetings has demanded that an additional ambulance be provided. In order to cover the cost of this additional ambulance, the Fiscal Court was forced to increase the payroll tax by 1.0% making your contribution a total of 1.5% starting April 1, 2009.

This increase will sunset (end) on December 31, 2010 and revert back to the original .05%. The payroll tax was increased due to it being an immediate source of revenue. Over the next year and 9 months in which the payroll tax will be collected, the Fiscal Court will research a more adequate source of funding.

This information is being provided to allow you to make adjustments to your payroll system at the appropriate time. If you should have any questions, please contact our payroll tax administrator, Jenny Schlueter at 859-654-1808.

#### In Re: Adjournment

Squire Wells made a motion, seconded by Squire Veirs that this meeting be adjourned to meet again in regular session on March 24th, 2009, subject to any called meetings, motion carried.
